I love the feel of one hard cock in my mouth and another in my pussy. I close my eyes and next thing I know there's one in my butt, and another in my hand. I switch positions and all my holes are still filled with cock, and I think how can this be? I must open my eyes from this dream, and when I do there are four masked men. Olé.

I've been told I have just the sweetest disposition, until I start fucking, that is. Then I turn from a pussy cat into a tiger. The fangs come out and there's no stopping my feline appetite until I've ravaged the man-meat that I hunger for. Then I lay back and purr like a kitty as you become my dinner.

Dear 30+40,

I just love your cover for the new 30+40 magazine. I haven't been compelled to write to any other magazine, but I found myself wanting to tell you so. Taryn is really cute and her outfit is really hot. The color combos are nice also. I'm also glad to see someone without great big boobs on a cover. It's much more realistic. And I was pleasantly surprised to see two ladies kissing on the cover. It made me want to see who they were, and when I looked inside, that was one really hot pictorial.

– Jack D., Houston

SANDRA FAN #1

Thank you for bringing back Sandra Romain in your latest issue of ***30+40***. I've been her number one fan for years because she brings an energy that many performers do not bring. And she would do anything. She really knows how to fuck and suck. I also liked the fact that she is a healthy-looking girl with a healthy butt. I'm into butts on girls because you can man-handle them a little easier. Pick them up, turn them over. Do an upside-down sixty-nine. That was something I first saw Sandra do in a movie a few years ago and I've put it into my little bag of tricks, too. That's the kinda girl I want.

– Douglas K., MI

TRAIN TRYST

I have just a few minutes to write to you. I'm a tax preparer and we're always swamped in April. We're short staffed this year so I've had to pick up a lot more last minute work. It's a week before the 15th and I was working late with a few others. When we finished, Shellie and I went to the train station as we always do. Her stop is the one after mine. Train pulls up and we get in. It's about nine pm and there are lots of people on it. Mostly businessmen who were probably working late, too. We find a couple seats together and plop down our briefcases to the floor and settle back to look out the window. The train pulls out and Shellie opens up a newspaper as if to read it. She opens it up and puts it over our laps. I ask her what's going on and she tells me to keep looking out the window. She's pulling down my zipper! OK. I'm all soft and such, but within a minute I'm all hard. She is looking forward as if nothing is going on, but her hand is working my dick pumping the shaft as if the world was ending. So I have to just tell you what else happened in the few minutes of our home commute

Now we're going down into a tunnel. The train lights flicker, but Shellie just keeps pumping. Soon we surface and my stop is just a few minutes away. She changes her grip to use her nails. She pinches me and slides them up and down the shaft, letting her index finger poke my balls. The bouncing and hum of the train is adding to my excitement and my feet are pushing hard against the matted floor.

Next stop and I'm about to pop. A couple exiting the train slow down to look at us. I think they know what was going on but went out their exit. That blew my concentration and we lost the rhythm. Next stop coming up and I won't finish in time. I see the stop sign

I would tit fuck Tommie's awesome rack till I launch my load all over her sweet nips. With her on her back, legs spread wide high in the air, it's time to lick her wet pink pussy...

---

out the window and I look at her saying I have to go. She tells me to stay seated and continues to pump me. So after the doors close and I miss my stop, within a few minutes I force myself to cum. Which I do into the newspaper.

She quickly folds it up and gets up to leave as the train pulls to her stop. I quickly shove my cock in my pants and zip up. I look up to see her exiting and I jump up too as the doors slam closed behind us. We walk the couple blocks to her apartment and she invites me in. You can probably guess the rest.

– Gene P., Idaho

SURE YOU'RE HEALTHY?

I'm a healthy thirty-five year-old guy who has a problem getting it up when I watch pornos of people fucking or pictures of them in magazines. I don't know if it's a medical thing, but I've lost it. I use to jack off a lot when I was younger, but they say that shouldn't matter. Looking at girlie mags and pornos you would think would help, but nothing is better than a girl shoving a colored dildo or vibrator into her pussy or another girl's pussy. Since I can't relate to cocks in the flesh, the colored plastic vibes are a much bigger turn on for me.

Not even the fleshy dildos turn me on, but if it's purple, red or blue, I can get hard instantly. And if the dildo or vibe has gnarly stuff poking out of it, like a second appendage or ribs or spikes, then that just sends me over the edge. When I picked up your magazine and saw that girl tickling and sticking a red vibe into that other girl's twat and then with her pussy inches from her face, I was hooked. While the other dildos in the pictorial were nice, the red one was the bomb. Man, I loaded one up and shot it out. Keep up the good work, because that was the best money I've spent in a long time.

– Pete N., New York

RIDIN' TOMMIE RYDEN

Tommie Ryden, the fishnet goddess in your last issue of ***30+40,*** makes me dizzy and crazy! My cock grows hard as I imagine her licking my cock from base to tip.

My mouth drools to get my lips around those gorgeous pink nips of hers. Licking all around her wonderful large globes while pinching her nips. How my cock aches to slip between her perfect tits pressing her breast flesh around my member. I would drizzle lube in her cleavage so my dick can easily slide between her awesome boobs. I'd be pumping my dick hand fast with my ball sack slapping against Tommie's tits.

Taryn has a kick-ass body with perfect breasts. I like smaller and firmer boobs, no big floppy tits for me. And man, what a great face. She looks like she could eat me up alive.

I would tit fuck Tommie's awesome rack till I launch my load all over her sweet nips. With her on her back, legs spread wide high in the air, it's time to lick her wet pink pussy along with the cute brown butt hole of her ass. Licking up and down tasting sweet poontang and hot ass. Finger fucking each hole as I lick between her glorious fuck holes. Cum hard for me Tommie. Let me taste your hot pussy nectar. Cum on me while I lick your tight ass. Get your hot wet love tunnel ready for my dick so I can sink it deep inside your pink fuck slit.

Wrap your legs around me as I slip my cock inside your pink hole fucking you hard and deep – doggy-style. Pushing my rod deep inside filling your hot pink hole with my pole till my balls can slap your sweet pussy lips with each thrust of my fuck pole. I'd be sucking on Tommie's tits as I push deep – exploding my hot load deep between your hot pussy lips, filling your love tunnel with my hot cum load. Pulling out my dick to see my cum dribble from your sweet pussy. Then open your lovely pussy petals to see a pussy cream pie.

Turn over Tommie; let me see your wonderful ass framed by those fishnets, so I can sink my dick between your ass cheeks, doggy pumping your tight hot ass. Pushing my cock slowly inside, my cockhead spreads your anal opening wide so my lubed dick can fit deep inside. Pushing all the way down your dirt road so my balls slap against your ass cheeks as I bury my man-meat deep inside your lovely tight ass filling your backdoor hole with all of my pole, grabbing hold of your awesome swaying tits as I fuck deep inside your sweet rump.

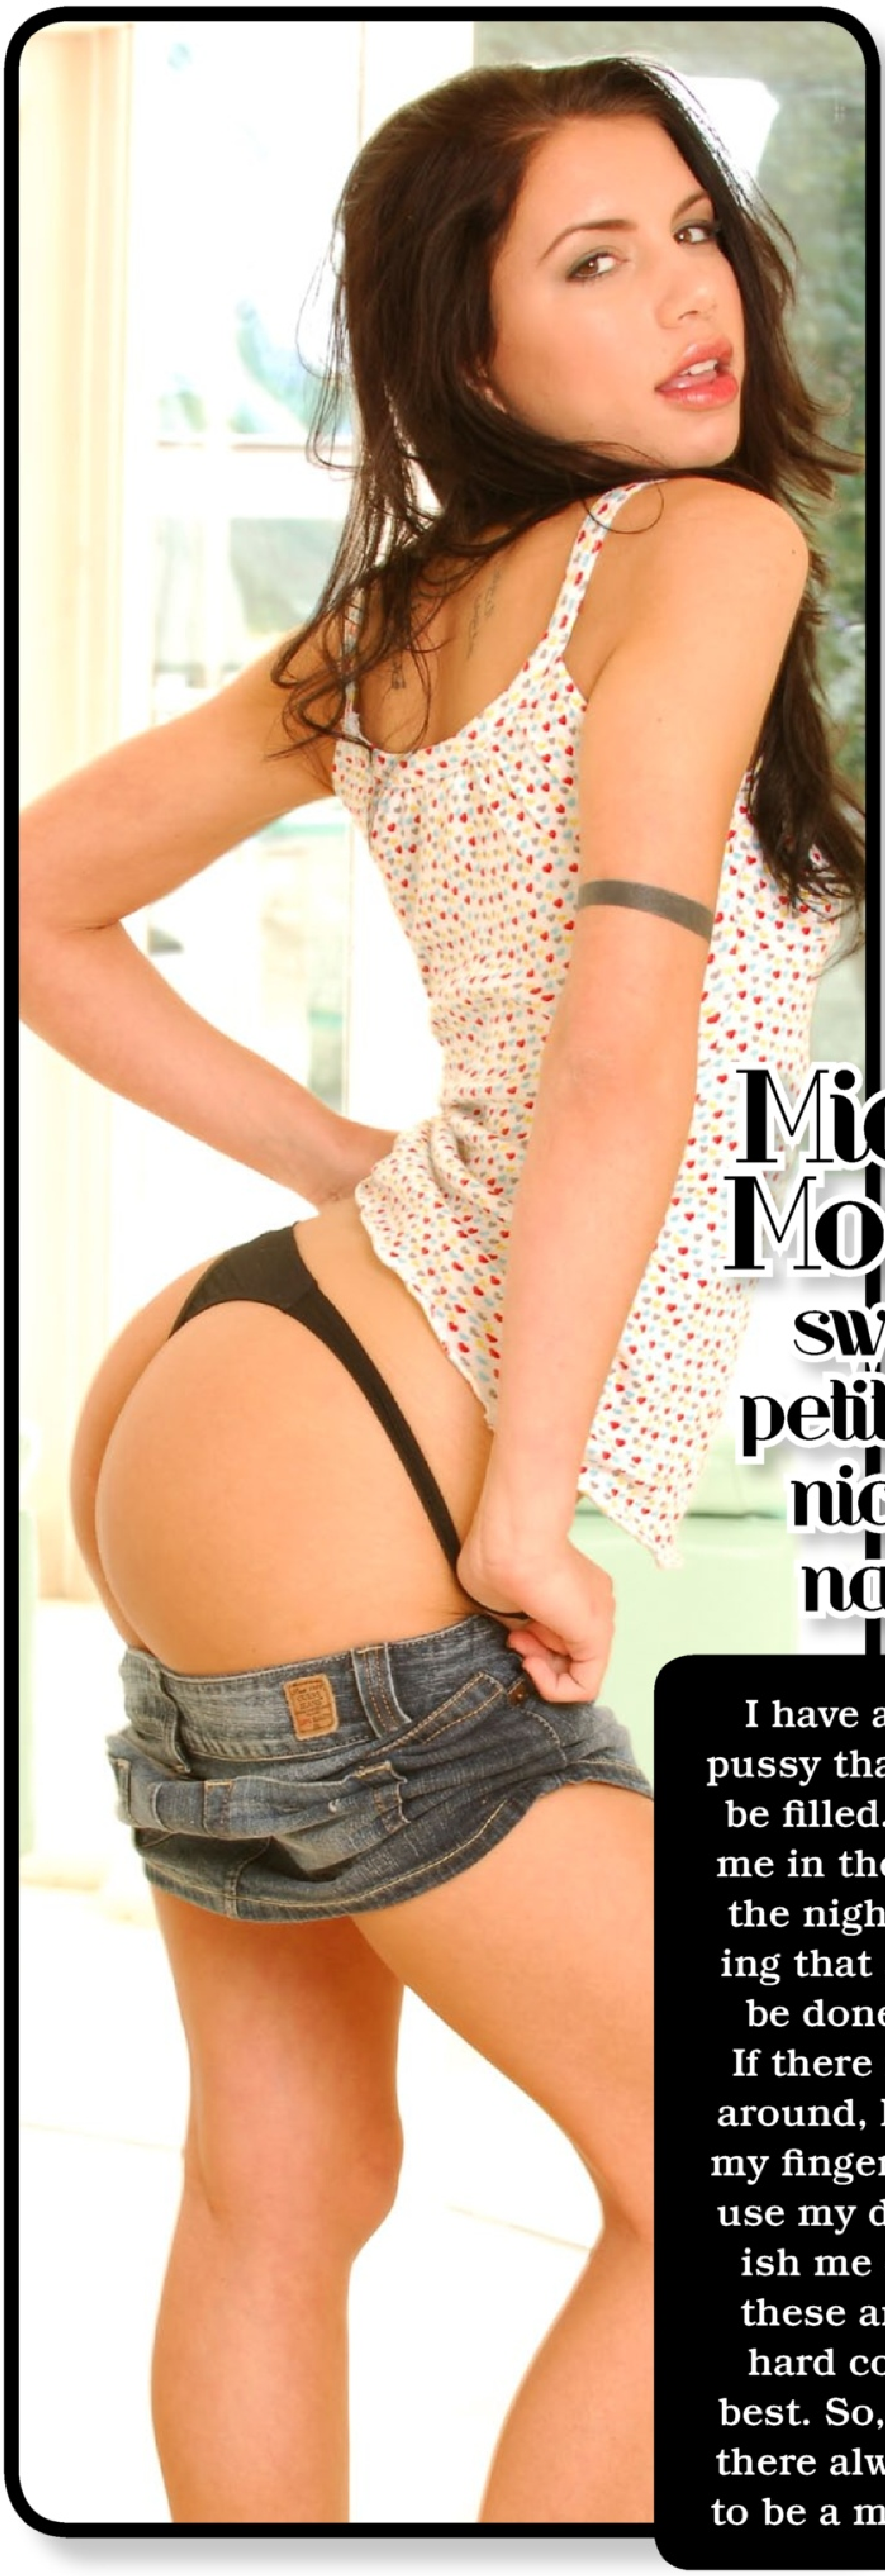
Fast and slow until I'm ready to blow – letting go of my hot white cum load deep inside your brown home as you feel me pulse and shoot it inside and then pulling out my dick so I can see your spread ass cheeks wide so I can see your hot anal cream pie.

– Turner, Pittsburgh

MORE TARYN LOVE

I'm writing to give you guys kudos for the sizzling pictorial of Taryn. Man she's the bomb. I've seen her in some skin flicks, but never in a magazine. How did you do it? Taryn has a kick-ass body with perfect breasts. I like smaller and firmer boobs, no big floppy tits for me. And man, what a great face. She looks like she could eat me up alive. Man, I came twice just looking at those photos. You got any more of them? If you're counting votes, count me in. When's the next issue coming out?

– Charles, NYC



Micah Moore

sweet, petite but nice & nasty

I have a real soft pussy that yearns to be filled. It calls to me in the middle of the night demanding that something be done to fill it. If there is no man around, I start with my fingers and then use my dildo to finish me off. While these are good, a hard cock is the best. So, somehow, there always seems to be a man around.

> “just friends out to have a lickin’ good time”

the best kind of party crasher...

The party that I hosted at my home was a lot of fun. The consultant from the sex toy company that sponsored my party answered all my questions. She told me what games could be played and what products would be available to buy. I sent out twenty invitations and a dozen or so showed up. A pretty good turn out, I thought. My husband and the kids went to his sister's house and they all went out to the movies that night. The house was all mine and right at seven the consultant showed up and helped me set things up. A half hour later the first of the guests arrived and all were there by eight. I was nervous but tried not to show it.

Fortunately for me, the proceedings went on without a hitch. The consultant was great, the guests seemed to enjoy the products, and there was a lot of girl-giggles and blushes. In addition to the vibes, the flavored lubes and lotions were a big hit. There was even a strawberry mousse in a spray can that my best friend, Jo, loved. She joked that it was too bad a man wasn't there to really try it out. Then, as if right on cue the doorbell rings, I answer, and there's a hunky guy in a delivery man's outfit holding a box labeled with the strawberry mousse. A combined "yahoo" went up from most of the gals and the guy walks in and puts the box on the table. He cuts it open and hands out a can to each lady there. Around the room, whispered remarks about the mousse or the guy can be heard. He heads for the door as if to leave but just closes it.

A hush then fills the room and an electric excitement begins to build. He walks back to the giddy group and asks if anyone would like to test it out on him. A brief hesitation was quickly ended when Jo shook her can and sprayed some on his outstretched fingers and slowly, seductively licks it off. All the gals were watching intently when Taylor jumps off the sofa and goes over to them. She unbuttons his shirt and pulls it just off his shoulders so his chest is exposed. She sprays some on his nipples and begins to lick it off. Not to be outdone, Jo does the same to the other side of his chest and now the guy's got two grown women sucking on each of his nipples like a mom suckling twins. Shane gets up and joins in, nudging the two ladies aside and begins to undo his pants. Somehow, I think he may have been expecting this because he was letting it all happen and I saw the consultant had moved to the back of the room with folded arms and a huge grin on her face.

The two that were sucking his nipples look at each other and with big smiles on, grab the back of his pants and along with his boxers, pulls them down to his ankles. Now the guy is standing there in the middle of the room, shirt undone and pants on the floor. Shane takes his semi-erect cock in her hand, palm up, and sprays it with the mousse. She looks back at the remaining ladies and "offers" his cock for licking. As I look around, most of them are stunned or embarrassed, but one, shy Larissa, is pushed off the sofa by the gals around her and she timidly comes forward. Shane takes her hand when she is close enough and replaces hers with it. Larissa is frozen by the action and doesn't even know where to look. Shane whispers something into Larissa's

...at a sex toy party

ear and after a moment both of them go down to taste it. Licking his cock, er, the mousse, from either side with both gals on their knees is quite the sight. Especially Larissa, who now is getting into it and is licking the head and shaft and we all watch as his cock gets harder and bigger. Larissa licks him clean and backs away.

Suddenly a voice from the back shouts out, "Bring him over here!" Jo and Sherylann gently push him over to the sofa now vacant of women and make him sit. They pull off his shirt and then push him down so he is laid out on it. As Jo finishes denuding him, pulling off his shoes and pants. Sherylann sprays more mousse on his cock, balls and nipples. A couple of the other girls venture over to the sofa and look down on the guy. One kneels and begins to lick the mousse on his cock. Another is at his chest licking his nipples. Another sprays more mousse on the guy who seems to be taking this all is stride.

Now Sherylann is back at his cock. She sprays a little on it and begins to lick it off. All the mousse has disappeared, and so has his cock, down Sherylann's mouth. She's actually giving him a blow job right there in front of everyone. Larissa goes over to him again and kneeling next to Sherylann swipes her finger at the mousse still on his balls and licks it off her finger. Sherylann pushes his cock against his stomach and, with a sweeping hand gesture, offers his balls to Larissa. She slightly hesitates, but goes for it with her tongue leading the way. After a few timid licks, she begins to lap at his cock and even takes one of his moussie balls into her mouth. In the meantime, the other gals are spraying his nipples, licking it off and doing it again. I look around and there are three spent cans of strawberry mousse discarded on my living room floor. I go over and tap them on the shoulders to try to tell them to stop.

She takes off her clothes and heads into the bathroom where the delivery guy is showering.

The consultant comes over from where she was standing in the back. In her hands is a clipboard with order forms on it. She sits at a chair with an end table next to it and announces that she's ready to take orders. Several of the girls line up while three are still focused on the guy. I herd them away from the sofa and ask the poor guy to get cleaned up and leave. He's made the sale. He looks at me, whispers 'Thanks!' and gets up as I point to the bathroom.

Jo sees him go and grabs me by the arm and pulls me along to my bedroom. She tells me to sit on the bed and in a couple minutes to come into the bathroom. I tell her I can't do that but she insisted and I agreed. She takes off her clothes and heads into the bathroom where the delivery guy is showering. I start to leave the bedroom and I hear her call my name. I slink in through the open door and there they are in the shower. I watched as his tongue entered her mouth and wrapped itself round hers as his hand moved down between her thighs. His fingertips lightly caressed her inner thighs, then he cupped her fanny and pulled her closer to him. Simultaneously, she clutched his erection through the shower spray and squeezed it hard, digging her nails into his straining cock. He gripped her more firmly, squeezing her labia firmly together before relaxing his grip so that he could run his fingertip along the length of her pussy lips. Her labia parted easily and stickily as his finger pressure increased and at the first touch of his finger on her clit, her back arched, her buttocks clenched, and she screamed out loud as her whole body spasmed.

He reaches out, grabs her by the hips and with one easy movement penetrated her

She clawed at his cock as he turned the shower spray down to a trickle. She lowered her head to his crotch and licked the remaining drops off and then took him in her mouth, swirling her tongue round the swollen purple glans, listening to his increasingly excited breathing and moans. He then pushed his face between her thighs and with his nose pressed up against her clit pushed his tongue inside her pussy and licked her as far as he could reach. Then he stood up and had her put one leg up on the little built-in bench in the shower. She raises her right leg and arches her back. He reaches out, grabs her by the hips and with one easy movement penetrated her to the hilt so that their pubic mounds pressed against each other.

He pumped her pussy for a few minutes and I felt my own hand slide into my pants and find my wet clit. I refocus on the two fucking in front of me with increasing rhythm and urgency, Now she met his thrusts with backward thrusts of her own, her bottom bouncing lewdly on his cock. His hands reached for her breasts and held onto them as he fucked her. The long strokes were over and they had gotten to the short rapid thrusts.... faster and faster..... faster and faster... she knew she was cumming and he knew it as well... faster and faster... he was cumming and she knew it as well..... He pulled out just in time with a with a huge gush of cum on to her back. He straightened up and she did too turning around to give him a big kiss.. Then her turned the shower higher and helped her rinse his cum off her back.
I didn't manage to cum then and there, but I knew tonight was going to be a hot one for my husband.

Meanwhile, back in the living room, the consultant wrote up over seven hundred dollars worth of orders that night, including two cases of strawberry mousse. I could not have been more pleased with the outcome but have to admit how it came about was a story for the ages. Two days after the party, I received a phone call from Larissa and she said she and Sherylann were going clubbing. Did I want to join them? I reminded her that I'm married with children, but in another life I would have. She thanked me for the party and said it helped her come a little bit more out her shell. And she was hoping to get lucky tonight.

I received many thank you notes from the others and two went on to host their own parties with this same company. I wish them luck. Since then, I have been to another toy party by a different company. Unfortunately the results were not the same and the consultant wasn't very good. If you are thinking of doing this, you should investigate the company yourself. Attend a party that someone else hosts, or agree to host one yourself just to see how it goes.

Alexis Malone is one serious fuck

Mama didn't tell me how fun sex would be in a parking lot; in the last row of the theater; on the neighbor's porch; in the bed of a pickup truck; or in a lumber yard. I found all that out by myself. How fun it's been! Want to see me having fun live. Watch my video. It's lots of fun.

Amy Starz cum on guys and let's play together

I've always used my body to get what I want, and usually what I want is sex. I have a really high sex drive and can't wait for a good fuck session to get going. Just the thought of a hard cock in my mouth or my pussy is enough to get me wet. Then when it's actually inside me, I kinda get a little crazy.
